RE: 03.01264.00- Farm Animals

Bemidji Township recently had their annual road review. During this time, it was noted that there are chickens located on the property. Due to this being a platted development and zoned as a Rural Residential area farm animal use belongs in an agricultural district so stated in the Bemidji Township Land Use Ordinance.

Bemidji Township requests you remove the chickens from the premises no later than May 31st, 2023.

Any further questions or concerns regarding this matter you may call the Townhall at the number listed above or contact us via E-mail at bemtwnsp@paulbunyan.net . Our office hours are Monday-Friday 10:00a.m-2:00p.m.

Thank you,

Pete Fredrickson
